Padlock - 38mm long shackle M175 Excell™

Marque: MASTERLOCK

Ref Product: wire:M175EURDLF

Ref Mcmining: MASTERM175EURDLF

Specification	
	Master Lock used the toughest boron alloy material and cutting edge technology, registering over 40 patents, to create Excell: a truly high security padlock that is 50% stronger than a standard padlock. The chrome plated steel makes this padlock more durable and the resettable combination more convenient to use. Ideal for securing factory fences, sheds or store front gates. - 50mm chrome plated, zinc die-cast body for corrosion resistance - Covered digits for a better protection against dust and water - Double deadbolt locking for added protection from prying and hammering - 4-digit resettable combination convenience Master Lock Security Level: 9/10 Set-your-own combination; 38mm long shackle
	Made in USA
