Padlock - 45mm laminated steel core - M115 Excell™ Padlocks

Marque: MASTERLOCK

Ref Product: wire:M115EURDLF

Ref Mcmining: MASTERM115EURDLF

Specification	
Â	Master Lock used the toughest boron alloy material and cutting edge technology, registering over 40 patents, to create Excell: a truly high security padlock that is 50% stronger than a standard padlock. These padlocks have a weather resistant cover, to protect the lock even in extremely bad weather conditions. Ideal for securing factory fences, sheds or store front gates. - 45mm laminated steel core - Weather resistant cover for added protection against extreme conditions - Exclusive octagonal boron-carbide shackle for maximum cut resistance - Double deadbolt locking for added protection from prying and hammering - 4-pin cylinder Master Lock Security Level: 8/10 38mm long shackle
	Made in USA
