Features and benefits	
- 1-7/8in (48mm) wide brass body provides resistance to the elements - 15/16in (24mm) tall, 9/32in (7mm) hardened steel shackle - Non-rekeyable, 5-pin tumbler cylinder provides pick resistance	
Product Details	
The Master Lock No. 4150 Economy Padlock features a 1-7/8in (48mm) wide brass body to resist the elements and a 15/16in (24mm) tall, 9/32in (7mm) diameter hardened steel shackle for excellent cut resistance. Ideal for cabinets & fences, the non-rekeyable 5-pin tumbler cylinder provides greater pick resistance. - Master Lock V Line brass padlocks are a complete range of day-to-day commercial padlocks available to purchase keyed alike or keyed to differ. - They have a solid brass body and cylinder to provide extra resistance against the elements. - The case hardened shackle resists sawing and filing and the pin tumbler cylinder provides resistance against picking. - Supplied with 2 keys and a Lifetime Warranty against mechanical failure. Suggested Uses: Lockers, trunks, cupboards, sheds, residential gates and storage units.
