Drill - Magnetic Drill Press 50mm

Marque: DEWALT

Ref Product: wire:D21620K-QS

Ref Mcmining: DEWALTD21620K-QS

Feature	
	DEWALT D21620K Magnetic Drill Press 50mm with quick release cutter holder,gravity fed cutting fluid tank, reversible press handle, drilling guard, safety strap and heavy duty carrying case. Available in 110 or 240 volts. Delivers high level of performance for fast, clean and accurate drilling into steel - 2 mechanical speeds for optimised performance - Compact and light weight unit which is both easy to transport and easy to position for drilling. - The universal quick release cutter holder is quick and easy to operate : no Allen key needed. It accepts any annular cutter with 19 mm round shank (Weldon) with one or more flats. - Push button reversible press handle offers tool-free handle set-up. - No volt switch prevents inadvertent restart after power failure Comes with: - Quick release cutter holder - Gravity fed cutting fluid tank - Reversible press handle - Drilling guard - Safety strap - Heavy duty carrying case
Specifications	
	- Power Input 1150 Watts - Spindle Thread 1/2" x 20 UNF - No Load Speed 350/650 rpm - Cutter holder 19mm Weldon shank (3/4") - Max cutting depth with cutters 50 mm - Max cutting diameter with cutters 50 mm - Drill point pressure 317 Kg - Clamping force 10000 N - Length of drill stroke 147 mm - Weight 13 kg - Magnetic base dimensions 180 x 84 mm - 110 or 240 volts - Total Shipping Weight: 13kg
