Salvage Drums - Poly-Overpack® 20 Salvage Drum

Marque: ENPAC

Ref Product: wire:1220-YE

Ref Mcmining: EN1220-YE

Description	
The new 20-gallon Salvage Drum is a versatile unit that can directly contain solids and sludges with security. With a 1/2 turn lid, these ergonomically designed units allow for easy access, unlike competing “hoop-ring designs.” This 20-gallon Salvage Drum can contain up to 5-gallon drums. Units are also nestable, which allows for ease of shipment. Save on shipping cost and storage space.
