Router Kit 900W

Marque: DEWALT

Ref Product: wire:D26204K-QS

Ref Mcmining: DEWALTD26204K-QS

Features & Specifications
Features:
- Full wave electronic speed control with feedback ensures the selected speed is maintained under any load for a consistent finish in all grades of timber, aluminium and plastics
- Variable speed control 16,000 to 27,000 which enables the router bit to be optimised for application
- Compact, light weight design that increase ease of use and user comfort
- Aluminium motor housing can be transitioned quickly to a fixed base attachment increasing the versatility of the machine
- Plunge base incorporates fine tune rod for precise depth adjustment
- Five position adjustable turret enables stepped or repeated plunge cuts
- Over moulded rubber handles provide a comfortable and secure grip
- Dual LED lights increase the visibility around the router bit during operation
- Multiple spindle lock detants enables quick and simple router bit change
Standard:
- 2 x Parallel fences
- 2 x Dust extraction adapter
- 8 mm collet (GB)
- 17 mm spanner
- 17 mm guide bush
- Plunge and Fixed base
- Centering cone
- Tough Kit Box
Specifications:
Power Input : 900 Watts
No Load Speed : 16000-27000 rpm
Plunge Stroke/Movement : 55 mm
Collet Size : 6-8 mm
Max. Cutter Diameter : 36 mm
Weight : 2.9 kg
Length : 110 mm
Height : 270 mm
Power Output : 620 Watts
Overview
- Full wave electronic speed control with feedback ensures the selected speed is maintained under any load for a consistent finish in all grades of timber, aluminium and plastics
- Variable speed control 16,000 to 27,000 which enables the router bit to be optimised for application
