Mc MINING GROUPE PICHORI Quality First

LEADER IN INDUSTRIAL TOOLS & EQUIPMENT

Technical sheet

Laser Measurement - TLM 99 - 30M

Marque: STANLEY

Ref Product: wire:STHT1-77138

Ref Mcmining: PRSSTHT1-771

Description	
LASER TOOLS - STHT1-77138 Laser Measurement - TLM 99 - 30M	
Features & Benefits	
- ideal for DIY use - Addition / subtraction calculator - Estimate required materials quickly and accurately - Easy to take measurements in out of reach areas - 30m range	
Uses	
	DISTANCE: measure distance up to 200m
	AREA: Calculate area of ceiling or floor with just two measurement
	VOLUME: Room volume are calculate automatically with 3 measurement
Specifications	
SKU	STHT1-77138
Type (dot/line/rotary)	dot
Accuracy (dot)	Â± 2,0 mm
Working Range	0,1 - 30 m
Batteries (Alkaline unless otherwise noted)	2xAAA (1.5V)
Battery Life (all lasers on)	up to 3000 measurements
Operating Temperature	0Â° > 40Â°C
Display Backlight	-
IP Rating	IP40
Beep	-
Weight (with batteries)	100g
Automatic Switch Off (Laser / Unit)	90 / 180 sec.
Inclination Sensor	-
Calculator with +/- function	+

Memory storage (level)	-
Folding toe	-
Tripod mounting thread (1/4“)	-
Includes carry pouch	-
BluetoothÂ® connectivity	/
Number of Beams	1
Laser Class	2
Laser Diode(s)	635nm
Applications	
Tiling	
Wallpapering	
Interior decorating
