LEADER IN INDUSTRIAL TOOLS & EQUIPMENT

Technical sheet

WEB RETRACTING LIFELINE (WRL)

Marque: NORTH

Ref Product: wire:FP0304

Ref Mcmining: LANYFP0304-NORTH

Specification:	Retractable web lanyards are the lightest SRLâ€™s available. They are engineered to provide maximum protection in places where fixed lanyards might get in the way. Retractable web lanyards are engineered to provide maximum protection in places where lanyards might get in the way. They will “lock up” in approximately 9" (230mm) thereby limiting the overall exposure to a fall by a considerable margin over a regular lanyard. They are available in various configurations to suit a variety of applications. All are equipped with 2" (50mm) webbing, a tough vinyl cover and mounting carabiner **MADE IN USA**
Length	8' (2.4m)
Certification:	Meets or exceeds ANSI and OSHA requirements
Description	FP551 with 2' (0.6m) lanyard energy absorber with snap hook
Rope type :	16E & 16ST
