Respiratory mask - OPTIFIT TWIN (MEDIUM)

Marque: HONEYWELL

Ref Product: wire:1715241

Ref Mcmining: MAS1715241

Description	
OPTIFIT TWIN (MEDIUM)	
Reference Number	1715241
Product Type	Respiratory Protection
Range	Reusable APR
Brand	Sperian
Brand formerly known as	WILLSON
Industry	
Product Use	
	Gives general protection against particulates and/or toxic gases.
	A full-face mask must be used when the toxic concentration does not permit the use of a half-mask, within the limits of the protection factors necessary for the user, according to the EN136 standard.
	A full-face mask must be used with EN141 or EN143 class 1 or 2 certified filters.
Certification	
	THE OPTIFIT TWIN has been certified to EN 136:1998 and provides the following Nominal Protection Factors or Assigned Protection Factors :
	OPTIFIT + P3 : NPF = 1000
	OPTIFIT + gas : NPF = 2000
	OPTIFIT + combined : NPF = 1000
They can only be used in sufficiently ventilated premises where the atmosphere contains a mininum oxygen volume of 17 %.	
Technical specification	
CHARACTERISTICS :	
	Twin filter mask, with secure Click
	Fit system for the installation of Sperian filters exclusively
	Complete visor : Wide field of vision ensuring excellent lateral and downwards visibility
	Polycarbonate visor
	Facepiece seal on U-shaped faceblank

	Silicone faceblank, making the mask lightweight and resistant to wear and ensuring good facial compatibility (auto fit)
	3 sizes with a high face - adaptability coefficient
	Weight: 570 grams
	Five-strap head harness
	Quick-release adjusting buckles
	Side lobes for wearing presciption spectacles inside mask
	Built-in plastic speech diaphragm for better speech transmission (plastic membrane)
	SILICONE exhalation valve
	Twin filter mask, with secure Click
	Fit system for the installation of Sperian filters exclusively
	Complete visor : Wide field of vision ensuring excellent lateral and downwards visibility
	Polycarbonate visor
	Facepiece seal on U-shaped faceblank
Feature and benefits	
	U-shaped skirt
	- Comfort - Easy to use
	Silicone skirt
	Comfort and resistance
	Full lens
	Optimal lateral and downward vision
	Wide field of vision
	Broad vision
	Speech diaphragm
	- Easy communication - No dismount
	Exhalation valve
	- No re-inhalation - Communication
	3 sizes
	Multipurpose respirator within a community
	Twin connexion system with "click-fit"
	Free choice of filter
	Few components
	Easy care
	U-shaped skirt
