Extreme Bi-Metal Hole Saw 64mm

Marque: DEWALT

Ref Product: wire:DT90324-QZ

Ref Mcmining: DEWALTDT90324-QZ

Description	
DT90324-QZ Extreme Bi-Metal Hole Saw 64mm Patented tooth forms optimize chip removal for efficient drilling and long life Fast Plug Ejection Large, continuous slot provides leverage for easy plug ejection and removal Versatile Drilling Performance High Speed Steel cutting edge effectively drills through wood, metal and plastic Designed for Thick Materials (up to 44mm) Deep hole saw design allows for cutting 2-by dimensional lumber in one pass Up to 2X Longer Life* *vs prior generation DEWALT Bi-Metal Hole Saws	
Includes	
(1) Hole Saw	
Specifications	
Diameter	64 mm
Cutting Edge	Tooth
For Use With	Drills
Product Width	8 cm
CE Mark	No
Carbide Tipped (CT)	No
Product Height	5.2 cm
Cutting Depth	47 mm
Product Weight	0.202 Kg
Application Material	Wood & Metal
Hole Saws Type	Bi-Metal
Number of Pieces	1
Is it a Set	No
Packaging	Carton
Product Length	15 cm
