SDS Max Chipping Hammer With 3 Chisels 240V

Marque: DEWALT

Ref Product: wire:D25820K

Ref Mcmining: DEWALTD25820K-QS

Features & Specifications
Dewalt D25820K5kg SDS Max Chipping Hammer
The Dewalt D25820 SDS Max Chipping Hammer has a powerful 1150 watt motor which provides 8 joules of impact energy which makes it a great chipping hammer for light demolition work in concrete, masonry and brick. With an oil filled gearbox and low vibration this lightweight hammer drill weighs in at just 5.8 kg. Other features of the D25820KIT includes unique dust sealing protection protecting even the finest dust ingress into the precision hammer mechanism extending the durability and working life of this Chipping Hammer. Included in this kit are 3 SDS Max chisels suited to tackle a variety of work.
Features:
- Ideal for light demolition, surface preparation or chiseling grooves and channel openings in brick, masonry and light concrete
- Oil filled gearbox ensures total component lubrication and superior heat dissipation
- Excellent power to weight ratio: 8 Joules of impact energy delivered by a 5.8 kg hammer
- Variable chisel locking at 18 different positions to provide the perfect angles for any application
- Unique dust sealing protection to prevent even the finest dust ingress into the hammer mechanism delivering high durability and extended tool life
Comes with:
DT6821 400mm Pointed Chisel
DT6823 400mm / 25mm Flat Chisel
DT6824 400mm / 50mm Flat Chisel
Specifications
1150 watt motor
8 Joules Impact Energy
Oil filled gearbox
Low vibration
Lightweight 5.8 kg
Total Shipping Weight: 11kg
