Marque: MASTERLOCK

Ref Product: wire:4120

Ref Mcmining: MASTER4120

Features and benefits	
- 3/4in wide (19mm) wide brass body provides resistance to the elements - 7/16in (11mm) tall, 5/32in (4mm) hardened steel shackle - Non-rekeyable, 3-pin tumbler cylinder provides pick resistance	
Product Details	
The Master Lock No. 4120 Economy Padlock features a 3/4in (19mm) wide brass body to resist the elements and a 7/16in (11mm) tall, 5/32in (4mm) hardened steel shackle for excellent cut resistance. Ideal for cabinets & fences, the non-rekeyable 3-pin tumbler cylinder provides greater pick resistance. - Master Lock V Line brass padlocks are a complete range of day-to-day commercial padlocks available to purchase keyed alike or keyed to differ. - They have a solid brass body and cylinder to provide extra resistance against the elements. - The case hardened shackle resists sawing and filing and the pin tumbler cylinder provides resistance against picking. - Supplied with 2 keys and a Lifetime Warranty against mechanical failure. Suggested Uses: Lockers, trunks, cupboards, sheds, residential gates and storage units.	
MADE IN USA
